**RONALD McDONALD HOUSE**

You can make a difference by saving **aluminum pull tabs!** Please consider saving your pull tabs and drop them into the container in the hallway near the parish center doors. The pull tabs that are donated are taken to a local recycler where they are weighed to determine their value. A check is then sent to the Ronald McDonald House in Buffalo who will provide lodging and food for over 600 families that stay annually while their child is being hospitalized or receiving treatment in the area. The **Ronald McDonald House Charities of Western New York Pull Tab Program** is a perfect way for our church family to provide help to families at a very critical time in their lives. Thank you!
